

A joint venture of PIEAS and HEC

## PhD Fellowships for HEC Funded Project

Applications are invited for PhD positions in the Critical Infrastructure Protection and Malware Analysis Lab at PIEAS, a partner lab of the National Center of Cyber Security, funded by the Higher Education Commission (HEC) of Pakistan. Interested candidates can read the eligibility requirements for admission to a PhD program in PIEAS on the website (<http://admissions.pieas.edu.pk/index.html>). Eligible candidates with a valid GRE or GAT subject score and education and experience, as described below, are advised to apply online at <http://red.pieas.edu.pk/pieasadmission> within 15(fifteen) days from the publication of this advertisement. Those candidates who are appearing for the GAT test being held on November 15, 2020 may also apply. Candidates are required to email a pdf copy of the submitted PhD application at [recruitment.cipmalab@pieas.edu.pk](mailto:recruitment.cipmalab@pieas.edu.pk). Only short-listed candidates will be called for the test/interview. This advertisement is available online at the PIEAS website <http://www.pieas.edu.pk/career/>.

### Education/Certifications

- Formal education of 18 years (MS or equivalent) in Systems/Electronics/Electrical/Computer Engineering or Computer Science/Information Security or equivalent fields
